

DIVERSITY INITIATIVES

Lewis Brisbois supports the Constitutional Rights Foundation which shares our firm's commitment to promoting diversity. The CRF is a non-profit, non-partisan, community-based organization dedicated to educating America's young people about the importance of civic participation in a democratic society. Since 1995, nearly 1,300 high school students have interned in many of Los Angeles' most prestigious law firms, corporations, and non-profit organizations through Constitutional Rights Foundation's Expanding Horizons Internships. Lewis Brisbois is a proud participant in the Expanding Horizons program and has sponsored summer interns for the last ten years.
